*The following is a summary of the discussions and actions taken at the September 13, 2018 Highland Meadows II Community Development District's Board of Supervisors Meeting.*

**FIRST ORDER OF BUSINESS**

**Roll Call**

Ms. Burns called the meeting to order at 9:05 a.m. and stated that a quorum was present.

**SECOND ORDER OF BUSINESS**

**Public Comment Period** (*Speakers will fill out a card and submit it to the District Manager prior to the beginning of the meeting*)

Ms. Burns opened the public comment period. A resident complained about their key card not working at the gate to the swimming pool and the gate not locking after it was closed. Ms. Burns noted that the latch was currently broken, and the company that originally installed the access card system, Precision Lock and Safe, was working on the issue. Discussion ensued regarding the gate and who was permitted to use the pool. The Board noted that only residents of Highland Meadows II were permitted to use the pool and was working on a solution to stop

people from using the pool without key cards. Ms. Burns urged residents to notify her if their card was not working, as she would issue a new one.

A resident asked about the Access and Maintenance Easement Agreement for the landscape improvements, dead grass around the mailboxes and if residents could have their own mailboxes. Ms. Burns indicated that the agreement was for the District to mow and maintain the landscaping in Phase 4B/C, which was under construction. The Postal Service did not allow residents to have their own mailboxes. Mr. Smith would evaluate the grass and get a quote if the grass needed to be replaced.

Residents questioned the \$500 assessment fee. Ms. Burns noted that all residents paid an annual assessment on their tax bill. If a resident was escrowing their taxes from their mortgage, the assessment would be included.

Ms. Burns presented a quote from Community Watch Solutions, the new vendor for security services. They will provide security 10 hours per week starting this month; five hours on Saturday and five hours on Sunday in the afternoon. During the summer the hours will increase to 40 hours.

Ms. Burns presented a proposal from Creative Association Services, Inc. for bi-monthly maintenance of the Phase 4B/C common area and entry feature landscaping maintenance, in the amount of \$12,000.

On MOTION by Mr. Heath, seconded by Mr. Rhinehart, with Mr. Heath and Rhinehart in favor, and Ms. Schwenk abstaining, the proposal from Creative Association Services, in the amount of \$12,000, for Phase 4B/C common area and entry feature landscaping maintenance, was approved. (Motion Passed 2-1)

**SIXTH ORDER OF BUSINESS**

**Consideration of Access and Maintenance Easement Agreement for Landscape Improvements**

Ms. Burns presented an Access and Maintenance Easement Agreement, which was prepared by District Counsel. The purpose was for the developer to grant the District's landscape vendor to maintain areas that were not conveyed to the District. Once the areas were turned over, Mr. Scheerer and the landscaper would perform a walk through.

On MOTION by Mr. Heath, seconded by Mr. Rhinehart, with all in favor, the Access and Maintenance Easement Agreement for landscape improvements, was approved.

**SEVENTH ORDER OF BUSINESS**

**Discussion of District Financial Position and Consideration of Fiscal Year 2017/2018 and 2018/2019 Deficit Funding Agreements**

Ms. Burns provided a monthly breakdown of the District's financial position. Through July, the District had \$100,000 and was operating at roughly \$45,000 a month, which was sufficient until tax revenues were received in November. However, there was a deficit, due to an underfunded budget for the current year, insufficient reserves for quarterly payments and starting the fiscal year in a deficit. Phase 4B/C was initially being directly billed by the developer, in quarterly payments of \$29,000 for October, January, April and July, however, the January payment was moved to October, and the April payment would be moved to July. The District would receive \$60,000 on October 1<sup>st</sup>.

Staff recommended holding the following:

- Suspending Supervisor Fees until November
- Skipping the bi-monthly fertilization
- Paying GMS the October payment in November
- Including quarterly funding for the Fiscal Year 2020 budget

Ms. Burns provided a Deficit Funding Agreement that District Counsel recommended for the current and upcoming year, in order for the developer to fund \$20,000 in the event of a cash flow issue. She believed that the District would have sufficient funds, as the budget for Fiscal Year 2019 was increased by \$50 per household to handle smaller issues, but there were larger issues that must be prioritized, like the speed limit signs and adding irrigation in several areas. Discussion ensued.

On MOTION by Mr. Rhinehart, seconded by Ms. Schwenk, with all in favor, the Fiscal Year 2017/2018 and 2018/2019 Deficit Funding Agreements, were approved.

**EIGHTH ORDER OF BUSINESS**

**Consideration of Request to Issue RFQ for Engineering Services**

Ms. Burns received a letter of resignation from Mr. Todd Amaden of Landmark Engineering, resigning as District Engineer as of October 31<sup>st</sup>. To hire a new District Engineer, the District must go through the Request for Qualifications (RFQ) process. The due date of September 17<sup>th</sup> would be changed to October 2<sup>nd</sup> at Noon.

On MOTION by Ms. Schwenk, seconded by Mr. Heath, with all in favor, authorizing Staff to issue and advertise a Request for Qualifications for District Engineering services, was approved.

- There were a few weeds in the flower beds, which the contractor was handling. Weeds in the brick pavers at the pool were removed, but there were still weeds in flower beds at the pool.
- Some retention ponds in the newer phases were mowed, but the retention pond in Phase 5 was extremely large. There was a flower bed all the way around it.
- He received a complaint that the lock for the men's room was not functioning, but yesterday it was working; however, the main gate door was not locking, which a contractor was addressing.
- A sign was missing all the lettering.
  - Ms. Burns would obtain a proposal from the original vendor, Cypress Signs. It was noted that the top bar on the pool exit sign was broken.
